## Victim of Drink Needs Urine

Drink cunningly destroys the will power, and while the drunkard wants to do what you tell him, he wants a thousand times more the drink than he craves. Medical treatment is necessary. Urine destroys the desire for liquor, so that the drink will not be missed and restores the patient to health.

This remedy is thoroughly scientific and is so uniformly successful that it is sold with a guarantee to refund your money if after a trial it has not benefited. Booklet free on request. The Urine Company, Urine building, Washington, D. C. Sold in this city by Burt H. Wells, 160 North Main street.

## Midnight in the Ozarks.

and yet sleepless Hiram Seranton, of Clay City, Ill., coughed and coughed. He was in the mountains on the advice of five doctors, who said he had consumption, but found no help in the climate, and started home. Hearing of Dr. King's New Discovery, he began to use it. "I believe it saved my life," he writes, "for it made a new man of me, so that I can now do good work again." For all lung diseases, coughs, colds, in grippe, asthma, croup, whooping cough, hay fever, hemorrhages, hoarseness or quins, it's the best known remedy. Price 50c and \$1.00. Trial bottle free. Guaranteed by Red Cross Pharmacy.

## A HOPEFUL MESSAGE TO SCALP SUFFERERS AND MEN WHOSE HAIR IS THINNING

Dandruff now—bald later. The same is true of scalp diseases. In fact dandruff is a scalp disease. The trouble with the greasy scales and lotions, the so-called dandruff and scalp cures you have tried so far is that they don't do anything but temporarily relieve the itching and make the dandruff so it doesn't fall until it's dried out again. Nothing can cure—really cure such troubles but a real scalp medicine that will kill the germs causing dandruff and scalp disease.

Learning from leading fellow druggists throughout America that they had found a whirlwind cure for dandruff, eczema and all diseases of the skin and scalp, the Red Cross pharmacy on proving to the laboratories compounding the treatment that it is the most prominent drug store in this city, secured the agency for the remedy. This remedy is Zemo, the clean, liquid preparation that kills the germ of disease and Zemo soap to wash the scalp or skin clear and clean of the dandruff scale and by its antiseptic qualities soothe and heal.

Sold and guaranteed by druggists everywhere and in Barre by the Red Cross Pharmacy.

## THIN FOLKS MADE PLUMP

Samose Ideal Flesh Builder Says Druggist D. F. Davis.

Thin people are simply suffering from want of nourishment!

If you are thin, it is because the food you eat is not assimilated and passes through the system without building up the flesh tissue as it should.

You can readily get plump and rosy by using Samose, a tissue forming food which, when taken with the meals, immediately becomes a flesh building and life giving element in the blood.

Use Samose for a few days and increases of life, vigor and weight is felt and you will notice yourself getting plump and rosy.

D. F. Davis is introducing Samose to his customers and recommends it highly. He gives the best proof of his belief that Samose will do all that is claimed for it, by offering to refund the money if it fails to increase the weight and restore good health.

## AN UNUSUAL OPPORTUNITY

D. F. Davis, Barre, and Frank Roark, East Barre, will pay back your money if Seaver's Dyspepsia Tablets fail to cure dyspepsia. "Never in the history of my store," said one of the above druggists to a representative of a wholesale drug house "has there been so great a demand for any remedy as there is just now for Seaver's Dyspepsia Tablets. Barre and East Barre people are coming in every day inquiring if it is really true that we sell Seaver's Dyspepsia Tablets with the understanding that they will cure dyspepsia or pay back the money." Of course this guarantee plan is quite unusual, but we do just as we agree and we will hand back your money without the least argument if you are not decidedly benefited. "Not one person in fifty has asked for their money and it may surprise you to know that at least a dozen within the last ten days have been in to tell us how much they have been relieved, and how glad they are to know that at last there is a remedy that really will cure indigestion and dyspepsia.

Seaver's Dyspepsia Tablets brace and tone up every nerve and fibre, help digest the food, put new life into the digestive organs, improve the appetite, clear up the complexion, cure biliousness, dizzy spells, coated tongue and sick headache. Try them for twenty days and if you don't see a great improvement, stop in and tell D. F. Davis or Frank Roark and they will hand back your money cheerfully and without argument.

## THE GIFT OF GAB.

Why Stephenson Thought There Was No Power Equal to It.

When George Stephenson was visiting the seat of Sir Robert Peel at Drayton on one occasion, says the writer of "Famous British Engineers," there happened to be present Dr. Buckland, the scientist, and Sir William Follett, the famous advocate.

Stephenson discussed with Dr. Buckland one of his favorite theories as to the formation of coal and, though undoubtedly in the right, was ultimately vanquished by the arguments and oratory of the doctor, who was a better master of tongue fence than himself.

Next morning while pondering over his defeat in the solitude of the garden he was accosted by Sir William Follett and confided to that gentleman the story of his failure.

Sir William, acquainted with the details of the matter in dispute, agreed to take up the case and soon afterward attacked Dr. Buckland on the subject. A long discussion ensued, in which the man of law completely silenced the man of science, who was at last compelled to own himself vanquished. Sir Robert Peel, highly amused at this example of "tit for tat," then turned to the inventor and inquired, with a laugh:

"And what do you say on this matter, Mr. Stephenson?"

"Why," he replied, "I will only say this—that of all the powers above and under the earth there seems to me no power equal to the gift of gab."

"Keep him up, Juliet—keep him up!" he bellowed. "I'll run out and fetch the stomach pump!"

People in Barre who have constipation, sour stomach or gas on the stomach, should use simple buckthorn bark, glycerine, etc., as compounded in Adler's, the new German appendicitis remedy. A SINGLE DOSE brings relief almost INSTANTLY, because this simple mixture antiseptizes the digestive organs and drains off the impurities. C. H. Kendrick & Co., druggist.

Many Barre Readers Have Heard It and Profited Thereby.

"Good news travels fast," and the thousands of bad back sufferers in Barre are glad to learn that prompt relief is within their reach. Many a lame, weak and aching back has had no more, thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with the old Quaker remedy. Here is an example worth reading:—

Alvin F. Smith, 19 West street, Barre, Vt., says: "I have never relapsed into the serious condition in which I was before taking Doan's Kidney Pills in 1897. For some time I had terrible pains across my back and it was almost impossible for me to stoop. When I learned of Doan's Kidney Pills, I procured a box at E. A. Drown's drug store and found prompt relief from their use. During the past several years, I have had slight attacks of the trouble, but at such times I have always taken Doan's Kidney Pills and have found prompt relief."
